

Organic peeled tomatoes

Cultivation: Organic farming

Place of production: Contrada Stefanuzzi - Alcamo (TP);
Contrada Chirchiaro - Vita (TP)

Ingredients: Tomatoes, tomato juice

Bottle: 480 g- glass jar

Units per box: 12

Description: a few hours after the harvest, the tomatoes are washed, blanched and peeled. They are afterwards put in glass jars with the addition of tomato sauce, hermetically closed and sterilised without the employment of any other preservatives.

Organoleptic properties: the finished product contains whole middle tomatoes, which are soft and with a bright red colour. They are prepared without the addition of artificial flavours. The result is a sweet and fresh product that you can enjoy also in winter.

Suggestions: prepare your usual sauté, add the peeled tomatoes and salt. You can use them to prepare a lot of traditional dishes.
